Cleveland, Ohio (December 21, 2005)—CBIZ, Inc. (NASDAQ: CBIZ) today announced that it has acquired The TriMed Group (TriMed) of Flint, Michigan in a transaction that is expected to close effective January 1, 2006.

Founded in 1968 and with operations in Michigan, Indiana and Ohio, TriMed provides billing services and in-house computer systems primarily to hospital-based physician practices and is a recognized leader in accounts receivable management and the implementation of sophisticated management systems for the medical profession. TriMed has approximately 200 employees, recorded approximately \$12.1 million in revenue over the past twelve months and will be merged into the Company's Medical Management Professionals division, CBIZ MMP. CBIZ MMP recorded \$96.7 million in revenue for the past twelve months.

"We are thrilled to welcome TriMed into the CBIZ family," stated Steven L. Gerard, CBIZ Chairman and CEO. "TriMed is a leading regional provider in the medical billing industry that will fit perfectly into our growing and highly profitable medical management professional division," concluded Gerard.

"CBIZ brings the skills, expertise and resources necessary to excel in tomorrow's dynamic healthcare billing industry," said Randal J. Roat, CHBME, TriMed Partner and Board Member. "We've known and respected our colleagues at CBIZ MMP for many years; we are very excited about our future together and the benefit that the combined companies will bring to our customers", continued Roat.
